I don't need a room as I will be staying with family.

Billy — who will be going down from your end?

Also, I just learned that the block closes today? How may I help in securing these rooms?

Gail and Juanita,

As you know, the Administrator is the designated host for the CEC (Commission for Environmental Cooperation) this year and will be hosting the conference in OKC with OITA taking the lead on preparations. As such, the Secretariat has selected a hotel for the conference and attendees. They have secured a group rate as you will see below.

We would like for the Administrator, traveling staff, and PSD to all be in this hotel. What is your direction for reserving these rooms? Should each traveler reserve their own or would the two of you handle that action?

Would be glad to discuss further if need be.

Thank you!
Millan
